BEHIND THE BRAND //

Just in case you are curious who makes Breezy O products. 🙃 I am a stay at home mom of two, as well as a pastor's wife. I homeschool my kiddos along with wearing a lot of other hats. In short, planning has changed my life! I absolutely love planning, designing and interacting with our community. I want others to be super productive + have fun at the same time. It's the only way to live! I love feedback and I would 😍 LOVE to see how you use Breezy O products. Be sure to tag me and let's connect on social media!
